About the Teacher

I am so happy to be the 2nd grade teacher this year! I graduated from Appalachian with my Bachelors in Elementary Education and I am graduating this fall from the University of North Carolina at Wilmington with my Masters in Instructional Technology! I love teaching kids and learning right alongside them.

When I am not teaching, I am also a mom to a baby girl and a ten year old. My hobbies include video games, crafting, and gardening. I look forward to a great 2020-2021 year!
